**To the parents/carers of Y1 children**

13th December 2023

Dear Parents/Carers,

**Year 1 Maths Workshop for parents and children**

We would like to invite you to attend a maths workshop in the school hall on Wednesday, 24th January 8:45am- 10:00am to work alongside you child. The first ten minutes of the workshop will be for adults only and then the children will join us for the remainder of the session.

You will be guided through the session by Mrs Jeukens and Mrs Smith.

During the session, we will:

- Share with you some of the things your child will be learning in school
- Improve your confidence in helping your child with maths
- Create some games and activities for use at home
- Share with you some home learning activities

If you are unable to attend, but have another adult family member, such as a grandparent who could attend to share the information with you and to work alongside your child, they would be more than welcome.

Yours sincerely,

Mrs Jeukens & Mrs Smith
