To the parents/carers of Y2 children

25th January 2023

Dear Parents,

Year 2 Standard Assessment Tests (SATs) Workshop

We would like to invite you to attend a SATs workshop to talk to you about the SATs and what you can expect on Wednesday 15th February, 3:30pm- 4:15pm.

During the session, we will share with you when and what assessments will take place. We will talk you through the format of the tests, you can have a look at some example tests and ask any questions. Ideally, we would like every Y2 child to have an adult present at the meeting. If you are unable to attend, but have another adult family member, such as a grandparent who could attend to share the information with you, they would be more than welcome. We can provide childcare for year 2 pupils while you attend the meeting. However, you will need to make childcare arrangements for older or younger siblings during this time.

Yours sincerely

Gemma Cherrington & Mary Smith
