Thursday 3rd November

Dear parents and carers of children in KS1,

This half term, the children will begin a design and technology project called 'Tutti-Fruity Jelly!' It is a food-based unit of work during which the children will have the opportunity to prepare and taste a range of different jellies. The school will provide the ingredients for the children's cooking so they will not have to bring things into school from home. We are asking though, for your child to bring in a **small 'individual' jelly mould** to make their final fruity jelly in. This can be any shape and could be a simple empty yoghurt pot container if you prefer. We do need your consent to allow the children to take part in the food tasting session. If your child has any allergens, then please let us know on the return slip below, as soon as possible.

Yours sincerely

KS1 Team

KS1 Food Tasting Permission- Tutti Fruity Jelly

I do/ do not give permission for my child _____ to take part in the food tasting session.

My child does/does not have any food allergies.

My child cannot eat _____
