To the parents/carers of Y4/5 children

Wednesday 7th September 2022

Dear parents/carers,

Re: ExpertEd Engineering Club in collaboration with Swansea University

We are delighted to announce that the highly popular Engineering module, provided by Swansea University, will be run as an afterschool club here at The Meadows for a group of our Year 4/5 pupils.

The educational programme will run by Mrs Morris on Thursdays for 10 weeks, starting on Thursday 15th of September at 3.15 - 4.30 p.m. consisting of a combination of live Zoom Q&A sessions and classroom activities.

1. The ten-week programme will consist of five speakers alternating with five sets of classroom activities, so children will need to sign up for all ten weeks.
2. In the live Zoom Q&A sessions, an engineer from Swansea University will talk briefly about their area of expertise before taking questions from the children (see example activity overleaf)
3. In the following week, children will then undertake classroom activities associated with Q&A topic from the previous week (see overleaf).

The club will cost £1.50 per session* (to cover the cost of materials etc.), so £15.00 in total for the ten weeks payable in full prior to the first session. Once your child's place has been confirmed, you will be sent a request for payment via Eduspot.

****Children in receipt of Free School Meals will not be charged for the club as Pupil Premium funding will be used to pay for their place.***

There are a limited number of spaces available, so places will be drawn 'out of the hat' from all slips received back by Friday 9th September. Please complete the slip below and return to Mrs Morris by Friday lunchtime. Places will be confirmed on Monday 12th September.

Yours sincerely,

Mrs Karen Morris
Headteacher
