To the parents and carers of children in Puffins and Kingfishers

Thursday 26th May 2022

Dear Parents and Carers,

As you will know your child has been learning to play their brass instrument this year with Mr Aldridge, one of the music teachers with Shropshire Music Service.

Mr Aldridge has recently invited all brass players from schools around the County to take part in a special '**Polished Brass**', which is due to take place on **Tuesday 21st June at Theatre Severn (Walker Theatre), in Shrewsbury**. The event has been designed to provide the opportunity children around Shropshire, who receive whole class brass tuition, with an opportunity to showcase their achievements and to perform with pupils from other schools as part of a massed brass ensemble. This really is a truly exciting opportunity to play on a proper stage, in front of a large theatre audience.

The schedule for the day on Tuesday 21st June is as follows:

- 2.30 p.m. Pupils arrive at Theatre Severn (transported by school minibus)
- 3.00 p.m. Rehearsals begin
- 4.30/5.00 p.m. Break for picnic tea
- 6.00 p.m. Concert for friends and family begins

The children will need their instrument, music (Mr Aldridge will provide this) sufficient food and drink for the duration of the event and will be required to wear their summer school uniforms. The cost per child to take part in the event is £5.00. However, children in receipt of free school meals can attend free of charge as we will use Pupil Premium to pay for their attendance at the event.

Tickets to the concert are priced as follows: Adults £5.00 and school age children are free. All tickets must be purchased from the Theatre Severn Box Office 01743 281281. After the event, parents can take their child straight home from the theatre.

If you would like your child to take part in this event, please complete the slip below and return to school with your £5.00 paid via Eduspot, as soon as possible, so that we can book their place as one of the 250 players taking part.

Yours sincerely,

Mrs Karen Morris
