Tuesday 15th March 2022

Dear parents and carers of children in KS1,

This half term, the children will begin a design and technology project linked to 'To Market! To Market!'. It is a food-based unit of work during which the children will have the opportunity to taste a range of different soups, design their own soup and finally prepare and cook their own soup. The school will provide the ingredients for the children's cooking so they will not have to bring things into school from home. We do need your consent to allow the children to take part in the food tasting session. If your child has any allergens, then please let us know on the return slip below, as soon as possible.

Yours Sincerely

KS1 Team
