

This week's school news and information

Bags 2 School

Unfortunately, Bags2School have changed the date for our charity clothes collection.

The new collection date is Thursday 7th May 2026, which is the earliest alternative date we were able to secure. Please ensure that any donation bags are delivered to school between Tuesday 5th May and Thursday 7th May, no later than 9:00am on the Thursday.

New Lunch Menus—Summer Term onwards

We are proud to partner with Shire Services to provide freshly cooked, nutritious meals prepared daily. With extensive experience in the education sector, Shire Services deliver fresh, seasonal, and sustainable food that helps our pupils stay energised and focused throughout the day.

Each day, students can choose from diverse meal options that cater to various tastes and dietary needs, featuring familiar family favourites and popular high street concepts. Throughout the school year, Shire Services also offer exciting theme day dishes. Our new summer lunch menus are overleaf and available on our website.

Holiday Activities & Food (HAF) – Spring/Easter 2026

We are pleased to share details of the Shropshire Holiday Activities and Food (HAF) Programme, running from 30 March – 10 April 2026. This fantastic initiative offers children the chance to enjoy fun, active and creative sessions during the Spring/Easter break.

The programme includes a wide range of activities such as sports, arts, cooking, forest school sessions and more. A free, nutritious meal is provided at every session.

Free places are available for children and young people aged 4–16 who are eligible for benefits-related Free School Meals. A limited number of places are also available for children meeting wider eligibility criteria.

How to book: Use the electronic What's On Guide and searchable timetable sent by school or available at: www.shropshire.gov.uk/HAF Please quote your child's unique HAF code when booking. If your child has SEND or receives additional support, please contact the provider before booking to discuss their needs. Your child's HAF code allows them to attend up to 4 free sessions during the spring holidays.

For general enquiries, you can contact: HAF.programme@shropshire.gov.uk This is a wonderful opportunity for children to learn new skills, have fun with friends and stay active over the holiday period.

🎵 A Big Well Done to Our Brilliant Choir 🎵

We would like to share how proud we are of our wonderful choir members—Anvi, Yasmin, Paige, Lexi, Ava, Ethan, Eira, Annabel, Marnie, Olivia, Fran, Pippa & Lily—who performed for the members of Connect For Life yesterday.

The audience thoroughly enjoyed the performance and commented on how beautifully the children sang. They were also incredibly impressed by the choir's excellent manners, confidence and enthusiasm.

Well done to all involved—you represented our school beautifully!

Birthdays

This week we would like to wish the following children a very Happy Birthday.

Joe
Skye
Grayson
Isla
Rygel
Isaac
Daisy

Well done this week to...

Chicks Year R	Ella has had a wonderful week, impressing everyone with her curiosity and ability to predict our learning, including correctly identifying that we were beginning to learn about Spring. She shared fantastic knowledge about animals, recalled signs of Spring, listened beautifully to stories, and enjoyed spotting rhyming words. Ella has also worked very hard in Read, Write Inc., blending sounds and producing fabulous writing—well done, Ella!
Ducklings Year R	Lottie has had a fantastic week, showing great enthusiasm and a positive attitude in all her learning. She has worked hard in maths exploring part-whole numbers and has made brilliant progress in her writing, with beautifully formed letters. Lottie's effort and determination really shine through, and we are all so proud of her.
Wrens Year 1	Austin has had an amazing week, trying really hard to follow all the school rules and taking part brilliantly in lessons. He worked independently in Read, Write Inc. to write a lovely letter inviting a friend to his house and did great maths work writing equations for number stories using the plus symbol. Austin has played nicely with friends, shown super listening, and made everyone very proud of his efforts this week.
Robins Year 2	Emilia has shown fantastic effort across all areas of her learning, especially in English where she wrote about the class trip to Oswestry Market and created a lovely peg doll. She enjoyed spotting signs of spring on the RE walk and contributed thoughtfully when discussing the Easter story. Emilia continues to be a kind, hardworking role model, and her progress this term has made everyone very proud.
Owls Year 2	Jacob had an excellent week, working hard in every lesson and completing tasks with confidence. He showed strong skills in division, engaged well with our English book, and contributed thoughtfully in gymnastics and history. Jacob also impressed everyone with his kindness in supporting a new child during their taster day.
Puffins Year 3/4	Lily is such a super member of the class. Lily is always ready, listening when needed and gives 100% effort on every task. She takes so much care over her work and it is presented beautifully every time. Lily enthusiastically answers questions in every lesson and confidently shares ideas or explains concepts. A big thank you to her for all her hard work and well done!
Kingfishers Year 3/4	Dexter has had a fantastic week, working really hard in English, contributing confidently in group tasks, and improving his handwriting and punctuation. He has shown great enthusiasm in maths while learning column addition and enjoyed taking part in science investigations on magnetism and creative teamwork in PE. Dexter is a polite, helpful member of the class and a lovely friend, making his 'Well Done' truly deserved.
Kestrels Year 4/5	Alfie showed impressive effort and resilience this week after a wobbly start. Alfie listened carefully in English and Maths, producing strong writing and confidently multiplying whole numbers and tenths. Alfie also supported adults brilliantly during swimming gala practice, making them proud to have him in their group.
Hawks Year 5	Thomas has had an excellent week, standing out for his superb work ethic and excellent behaviour. He has made fantastic progress in maths, especially with his times tables, showing clear, well-organised jottings and growing confidence in his methods. Thomas consistently strives for gold with excellent listening, readiness for learning, and a wonderfully positive attitude.
Eagles Year 6	Seren has had a fantastic week, shining as a kind, thoughtful friend who brings positivity to the classroom every morning. She impressed in English with her insightful understanding of Jemmy and worked incredibly hard in maths, showing great determination with area and perimeter problems. Seren always gives her very best, and her progress and attitude make her someone to be truly proud of.
Falcons Year 6	Emmy has had a fantastic week, always being incredibly helpful in class and consistently going above and beyond. She is a wonderful role model who follows 'The Meadows Way' perfectly, showing generosity, reliability, and a brilliant attitude toward learning. Emmy's positivity and focus make a real difference every day, and she truly deserves her Well Done Award.

What is happening in school next week?
