This week's school news and information

🌸 Easter Hamper Competition – Donations & Entries 🌸

Mrs Miller and Mrs Thomas are once again helping to organise our special Easter Competition, giving every child the chance to win a hamper full of Easter goodies on the final day of this term, Friday 27th March 2026. There will be one winner per class. We are kindly asking for donations of anything Easter-related, such as:

- Easter eggs
- Easter-themed toys
- Craft activities
- Decorations
- Any suitable Easter-linked item children of primary age would enjoy

Please send donations into school as soon as possible, so staff can begin making up the hampers in plenty of time for the draw.

Entry Tickets

- Entries can be purchased via Eduspot at a cost of £1 per go.
- You may buy as many goes as you wish for your child—each additional go increases their chance of winning!
- If you do not wish to purchase entries, simply ignore the payment request; it will be removed from your child's account after the event.

The cut-off for purchasing entries is midnight on Wednesday 25th March 2026.

New for this Year – Digital Wheel of Easter Fortune!

Instead of physical raffle tickets, each class will use an online "Wheel of Easter Fortune" spinner. Every time a child buys a go, their name is added to the digital wheel. The more goes they have, the more times their name appears—and the greater their chance of winning!

Each class's wheel will be spun during the Well-Done Assembly on the final day of term to reveal the winner of their Easter hamper.

Thank you, as always, for your support and generosity. We look forward to a fun, festive end to the term!

🎵 Thank You to Our Wonderful Choir 🎵

A huge thank you to our choir members, Thomas, Pippa, Fran, Georgia, Annabel, Olivia, Alice, Marnie, Ffion, Isla, Amber S & Amber L, for performing for the members of *Connect For Life* yesterday. The adults thoroughly enjoyed listening to the children sing and were incredibly impressed by their lovely manners and fantastic singing skills.

☀️ Thank You for Supporting Our School Councillors ☀️

A big thank you to everyone who kindly donated to our school councillors on the playground earlier this week in support of *Polio*. We are also very grateful to our Key Stage 2 councillors for taking part in the sponsored walk around Cae Glas Park and for collecting their sponsorship donations.

Thanks to your generosity, we have raised a fantastic total of £152.88 for the charity. Thank you for your continued support—this achievement truly reflects the kindness and community spirit of our school!

🌳 Green Tree Giveaway – Free Trees for Oswestry Residents! 🌳

We are pleased to share that Oswestry Town Council is hosting a Big Tree Giveaway this month. Residents are invited to collect a FREE tree from the following event:

📍 **Bailey Head, Oswestry** 📅 **Wednesday 18th March & Saturday 21st March**

🕒 **10am – 2pm**

A selection of Cherry, Field Maple, Hazel, Rowan, and Silver Birch trees will be available on a first-come, first-served basis.

Oswestry Town Council is committed to supporting the Climate and Ecology Emergency Bill and aims to become carbon neutral by 2030. As part of this pledge, 17,000 trees have already been planted—one for every resident!

This is a fantastic opportunity to get involved and help make our community greener.

❤️ **Red Nose Day – Friday 20th March** ❤️

To help us raise money for this brilliant charity event, we are kindly asking for donations of cakes and biscuits.

If you are able to contribute, please bring your donations into school on the morning of the event.

School Uniform Update

Our Governors recently met to review our school uniform, and we're pleased to share that they have approved the updated School Uniform Policy. They are fully supportive of our uniform expectations, and the revised policy is now available to view on our school [website](#).

To support families, the Governors have also asked us to include a helpful list of local shops where unbranded uniform items can be purchased. This list is shared below to make it easier for parents to find good-quality, affordable uniform options.

Birthdays

This week we would like to wish the following children a very Happy Birthday.

Rory

Oscar

Ava

Frankie

Mason

Tia

Well done this week to...

Chicks Year R	Calista has had a super week in school, always trying her best and showing great progress in Read, Write Inc. by confidently recognising letter sounds and blending them to read words. She has enjoyed Book Week activities, worked hard in her speech sessions, impressed Miss Langley by remembering 7 of the 12 Chinese New Year animals, and taken great care with her beautiful colouring. She has also been a lovely friend at playtimes, making her a fabulous member of the class.
Ducklings Year R	Poppy has been a wonderful member of the class this week, showing great effort and enthusiasm, especially during World Book Week where she confidently shared and discussed her favourite stories. She has worked incredibly hard on her letter formation, showing determination to improve, and demonstrated excellent focus and perseverance during her maths assessment. Poppy's excitement for learning and her positive attitude have truly impressed everyone—well done, Poppy!
Wrens Year 1	Tarran has had another amazing week, confidently recalling number facts and writing equations to match whole/part/part models. He has been quick and accurate in computing when grouping objects and counting items, and he consistently works hard in Read, Write Inc., becoming an increasingly fluent reader with strong understanding. He is a kind, hardworking member of Wrens' class, and a pleasure to have every day.
Robins Year 2	Edie has shown exceptional effort across all areas of her learning this week, particularly in English where she applied her new skills with great success. On the class trip to Oswestry, she demonstrated exemplary behaviour and enthusiasm while exploring the market, sketching buildings, and learning about the town's history. She continues to be a kind, hardworking role model, making the whole Robins team very proud.
Owls Year 2	Kairo has had a fantastic time at The Meadows Primary and has made wonderful progress. Kairo shows lovely manners, brilliant walking around school, and a great love of books and stories. Everyone at The Meadows will miss Kairo very much and wishes him lots of luck for the future.
Puffins Year 3/4	Kaleb produced a fantastic piece of writing this week, showing great care and effort. He wrote a thoughtful letter to a whale expert, sharing what he already knew and asking excellent questions. He also used beautifully neat handwriting throughout.
Kingfishers Year 3/4	Mia has worked incredibly hard this week, returning after time off and showing real determination and positivity to catch up. She contributed brilliantly in English, working effectively in a group to complete the 'speech sandwich' task and sharing thoughtful ideas with interesting vocabulary. In maths, Mia has shown great enthusiasm and a consistently positive attitude.
Kestrels Year 4/5	Ted has shown a sensible, hardworking, and positive attitude all week, making him a well-deserved Star of the Week. He works brilliantly with others, takes pride in the presentation of his work, and his efforts in Times Tables Rock Stars are really paying off. Mrs Beetson was especially impressed with Ted's thoughtful contributions in RE and Geography, and he should be very proud of his fantastic week.
Hawks Year 5	Ffion has worked exceptionally hard this week, standing out for her brilliant work ethic, exemplary behaviour, and impressive resilience during assessments. She shows great enthusiasm in lessons, always listening carefully and eagerly sharing her ideas across all subjects. She has also delighted everyone by talking about the fantastic Brownie badges she has been earning, making her achievements both in and out of school something to be truly proud of.
Eagles Year 6	Grace has shown wonderful resilience this week, continuing to work hard even when tasks felt challenging. She has collaborated confidently in maths, showing good focus while practising the order of operations. In English, she has put great care into developing her biography on Charles Darwin, and we are excited to see her final piece.
Falcons Year 6	Hubert has shown growing confidence this week, regularly sharing thoughtful ideas and asking interesting questions. He approaches all tasks with calm determination, setting a fantastic example for others. He also showed exceptional resilience during assessment week, completing every assessment to the best of his ability and taking on advice with maturity.

What is happening in school next week?
